---

Torrance, CA – November 4th, 2014 – BQE Software Inc., a world leader in time tracking, billing and project management software with more than 300,000 users worldwide, announced today that Bob Dias has joined BQE as Senior Product Director. Mr. Dias previously served as Vice President of Tax Product Management for CCH, a Wolters Kluwer business, for 7 years and is a recipient of Accounting Today's "Top 100 Most Influential People in Accounting" for 2 years in a row. Mr. Dias brings over 30 years of experience in the accounting software and services industry to his new role at BQE.

"I am very excited to welcome Bob to the BQE family," said Shafat Qazi, CEO and Founder of BQE Software. "His extensive list of accomplishments, accolades and awards is well respected throughout the accounting and technology industry and his honesty, integrity and professionalism will make him a great addition to our team. His appointment is a clear indicator that BQE is growing and needs someone with Bob's leadership to take us to the next level. I'm confident that Bob will play a key role in ensuring BQE's continued success and market leadership."

"I'm thrilled to join such a respected and dynamic company as I begin a new chapter in my career. With my knowledge and experience within the industry, I look forward to working with the BQE team to further develop the strategy of BQE's awesome suite of products and services that completely automate the business management process for professional services firms worldwide." said Bob Dias.

A graduate of New Jersey City University, Bob currently resides in Hermosa Beach, California and is the proud father of two daughters.
