

# BQE Software Wins Prestigious 2016 K2 Customer Satisfaction Award

## K2 Team Recognizes BQE's Commitment to Delivering Outstanding Customer Service Every Year

Torrance, CA - September 28th, 2016 - **BQE Software, Inc.**, a world leader in time billing, project management and accounting software with more than 350,000 users, is the proud recipient of the 2016 K2 Quality Award for Customer Satisfaction, for the third consecutive year. BQE's Support & Services Department is recognized for going above and beyond the call of duty to provide high quality customer service resulting in strong customer satisfaction.

"It is truly an honor to win the K2 Customer Satisfaction Award for the third year in a row," said Shafat Qazi, CEO & Founder of BQE Software. "As the software technology market gets bigger every year, the quality of service is what will differentiate great companies from the rest of the crowd. At BQE, we have always made it a top priority to put the customers first and be available to serve them via email, phone, Twitter, Facebook, LinkedIn every day in a timely manner. I'm extremely proud of our BQE team for consistently setting high standards of customer service in the software industry."

"Customer satisfaction is hard to get right," said Randy Johnston, Exec VP - K2 Enterprises. "BQE continues to provide an excellent product, but more importantly support with global, world-class service. BQE is fast, comprehensive and rarely needs support, but if you got to have support, you want it from the BQE team."

Founded 15 years ago, the K2 Quality Awards are the well-respected and longest standing awards in the accounting industry. K2 Enterprises provides continuing professional education services to the accounting profession, and marketing consulting services to technology providers in the accounting market throughout the United States and Canada.
