BQE Software Honored With Two 2018 Comparably Awards

BUSINESS MANAGEMENT SOFTWARE PROVIDER WINS BEST CEO AND BEST COMPANY FOR DIVERSITY

Torrance, CA – December 12, 2018 — [BQE Software, Inc.](#), a global leader in business management software for professional services firms, was honored with two 2018 Comparably Awards for Best CEO and Best Company for Diversity. The Comparably Awards recognize companies that are helping drive positive culture change and the winners are selected from tens of thousands of U.S. companies. Rankings are derived from sentiment ratings provided by employees who anonymously rate their employers on Comparably.com throughout the year.

There are no fees or costs associated with participating, nor is nomination required.

"It has been our mission at BQE to create a people-first environment, from both a customer and an employee perspective, and I am truly honored by these awards," said Shafat Qazi, founder and CEO of BQE Software. *"I am especially proud of BQE winning Best Company for Diversity because it reflects our tremendous effort to create an inclusive and diverse culture where employees feel happy, engaged, and inspired to do the best work of their lives. Putting people before process allows for true creativity and innovation, and these are the twin engines that drive BQE's growth and success."*

In order to attract and retain exceptional people from various professional and personal backgrounds, BQE Software has developed a company culture that fosters inclusion, wellness, and growth.

BQE employees enjoy a wide range of health and social initiatives, including:

- *Free food*
- *In-house gym with steam showers*
- *Meditation room*
- *Yoga*
- *Happy hours*
- *Company picnics*
- *Continuing education*

“Businesses are better for being diverse and reflecting the communities they serve,” said Jason Nazar, Comparably CEO. “Comparably’s Best Companies for Diversity are organizations that have been given the highest ratings of approval by their employees of color. Their focus on and inclusion of racial diversity are clear examples of progress in the workplace.”
