Billing Best Practices Package

Who It's For:

This consulting package is designed for **billing specialists, accounting teams, project managers, and firm owners** who use BQE CORE and want to **fine-tune their invoicing process**. If your team spends too much time on billing or struggles with cash flow delays, this training is for you.

What's Included: 4 Hours Of Expert-Led Training

In this hands-on consulting package, a BQE expert will walk your team through BQE CORE's billing workflows, geared towards optimizing your firm's processes and goals.

- **Billing Workflow Design** - Set up streamlined billing cycles that work for your projects and your people.
- **Invoice Template Review** - Build polished, professional invoices that reflect your brand and clearly communicate value.
- **Automated Billing Rules** - Cut down manual work with smart, rule-based invoicing tied to time, expenses, and milestones.
- **Pre-billing Review & Approvals** - Ensure accuracy and accountability before invoices are sent.
- **Accounts Receivable & Collections Tools** - Learn how to use BQE CORE's AR dashboard to track outstanding invoices and follow up efficiently.
