# BQE Software Recognized by Comparably as Best Company by Region

***BUSINESS MANAGEMENT SOFTWARE PROVIDER WINS BEST COMPANY BY REGION***

**T**orrance, CA – March 28, 2019 — [BQE Software, Inc.](#), a global leader in business management software for professional services firms, was honored with the Best Company by Region in the 2019 Comparably Awards alongside other industry leaders such as Google, Starbucks and Microsoft.

“We are thrilled employees across the organization feel equally passionate about our commitment to invest in each person. Being a great place to work is the difference between being a good company and a great company. In a day and age where every company is selling something, we believe that an outstanding corporate culture is truly a competitive advantage that is within our control,” said CEO Shafat Qazi. “Our company culture is the product of our values, expectations and environment all driven by understanding that satisfied employees means satisfied customers.”

For Best Places to Work By Region, winners were determined based on a series of 50+ structured and comprehensive workplace questions in core culture categories, including: Compensation, Leadership, Professional Development, Work-Life Balance, Perks & Benefits to name a few. There are no fees or costs associated with participating, nor is nomination required.

The Comparably Awards recognize companies that excel in these areas. The winners are selected from thousands of U.S. companies in each region. Rankings are derived from sentiment ratings provided by employees who anonymously rate their employers on [Comparably.com](#) throughout the year.
