BQE Software Honored With Comparably's Best Work/Life Balance Award

PROJECT MANAGEMENT AND ACCOUNTING SOFTWARE PROVIDER WINS BEST WORK/LIFE BALANCE AWARD.

Torrance, CA – Oct. 3, 2019 — [BQE Software, Inc.](#) a global leader in business management software for professional services firms, was honored with Comparably's Best Work/Life Balance Award for Q3 2019. The Comparably Awards recognize companies that are helping drive positive culture change. Rankings are derived from sentiment ratings provided by employees' anonymous ratings on [Comparably.com](#). Winners are selected from tens of thousands of U.S. companies and are based on how satisfied employees are with their work-life balance, if they feel burnt out at work, average hours worked per day, and lunch break lengths. There are no fees or costs associated with participating, nor is nomination required.

In order to attract and retain exceptional people from various professional and personal backgrounds, BQE Software has developed a company culture that fosters inclusion, respect, wellness, and growth. BQE employees enjoy a wide range of health and social initiatives, including free food, in-house gym with steam showers, meditation room, yoga and happy hour.

"A healthy work-life balance results in happier employees," said Shafat Qazi, CEO & Founder of BQE Software. "You want to go for a quick workout at our gym to help you decompress after a long meeting, no problem. Our goal is to remove the wall between work and other tasks that we are responsible for or enjoy being part of. By being flexible and accommodating, we learned that it helps our employees to focus, increases their productivity and bring the best of their creative minds."
