

Why Choose

CORE
POWERED BY BQE

For over 20 years, BQE Software has believed that running a professional services firm should be inspiring and exciting. Our customer-centric approach results in agile, powerful software that is loved by professional service firms world-wide.

Here's why Core is unlike any other platform.

UNIFIED PROJECT MANAGEMENT & ACCOUNTING

With project management, accounting, time and expense tracking, invoicing, and analytics all on one platform, you'll get real-time insights at a glance.

SEAMLESS AUTOMATIONS

A multitude of automations free you from repetitive tasks, so you can log more billable hours and craft the right strategies for your business.

FEATURE-RICH MOBILE APPS

No other app comes close to Core—its intuitive interface and wide array of features make it the top choice to stay connected anytime, anywhere.

ELEGANT DESIGN

Core's intuitive and streamlined user experience enables you to quickly get your work done while actually enjoying the process.

FLEXIBLE PRICING

Core's pricing is role-based, so you can scale your business and enjoy flexibility while reducing excess spend.

SUPERIOR CUSTOMER SERVICE

BQE's in-house team of award-winning experts is always on hand to guide you and ensure you make the most of Core's powerful technology.
